Introduction

Why this document?

The My Services portal has been loaded with rich features lately of which the online quotation is one.

This document is a guide explaining the procedure to go ahead with generating an Online Quotation yourself thereby expediting the whole Quote process & the time involved in obtaining a PO number for GE customers who are looking at making purchases in the portal.

Steps and screenshots Online Quote Generation

1. Login to the portal using the username and password.

2. Enter the part number in the global search tool on the top right of the screen.

Steps and screenshots Online Quote Generation

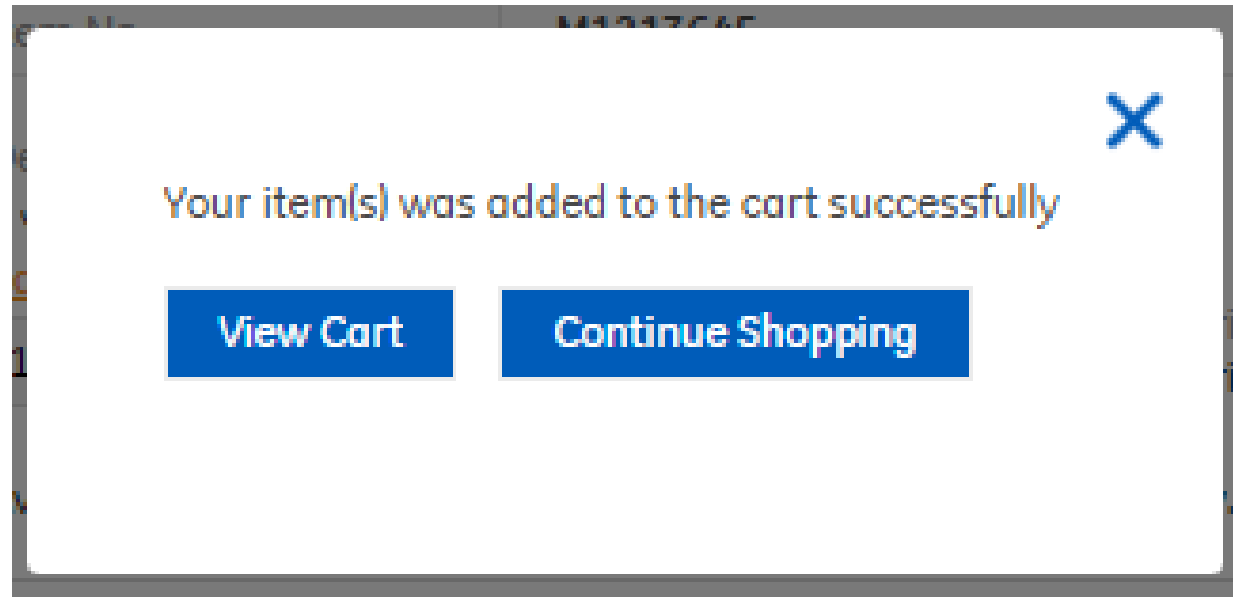

3. Click on "Add to cart"
below the part number.

The screenshot displays the GE Healthcare My Services website interface. At the top right, there are links for Australia, English, About Us, Contact Us, and Logout. A search bar is present with the placeholder text "Enter part number or name". Below the search bar is a navigation bar with links for Shop, Support, Repair, Learn, and My Account. The main content area is titled "Parts (930 Found)" and includes a "Shop by Category" sidebar on the left. The sidebar lists various categories such as Anesthesia Delivery (930), Diagnostic ECG (106), Maternal-Infant Care (283), Patient Monitoring (648), and Respiratory and Sleep (24). The main part of the page shows a list of parts. The first item is "O2 BALANCE REGULATOR KIT FOR AESTIVA 5" with item number 1006-8341-000. Below the item number, there is a red arrow pointing to the "Add to Cart" button. Other items listed include "3 Year PM Kit for S/5 ADU with A-ELEC-02" and "ABS Breathing System - complete". On the right side of the page, there are sections for "Parts Identification Tool", "Service Documents", and "How to Videos".

- Total Items: 3
- Total List Price: \$4,944.65
- Web Discount: \$0.00
- Shipping and Handling: INCLUDED
- Sub Total: \$4,944.65
- GST (10%): \$494.47
- Total: \$5,439.12 *

* The MyServices portal only displays the recommended selling price for products, accessories, parts and consumables. Please note that any special pricing that has been negotiated with GE Healthcare will be applied to your order, but will not be displayed on the MyServices website.

Buttons: Continue Shopping, Save Cart, Request for Quote (highlighted with a red arrow), Checkout.

Steps and screenshots Online Quote Generation

6. Verify the shopping details in the ensuing screen and Click on "Continue".

The screenshot shows the 'Shipping Options' page on the GE Healthcare My Services website. The page is divided into three main sections: a navigation bar at the top, a main content area, and a footer. The navigation bar includes links for Shop, Support, Repair, Learn, and My Account, along with a welcome message and a shopping cart icon showing 3 items for \$4,944.65. The main content area features a progress indicator with three steps: 1. Cart, 2. Shipping Options (current step), and 3. Quote Confirmation. Below this is a table of items with columns for Items, Quantity, Unit Price, and Shipping Details. The table lists three items: O-RING 2-004 BUNA-N, SIB SUBASSY ENHANCED 7900 CALIBRATED, and O2 BALANCE REGULATOR KIT FOR AESTIVA 5. A summary box on the right provides a breakdown of the total price, including sub-total, GST, and shipping and handling. A 'Continue' button is located at the bottom right of the table, with a red arrow pointing to it.

Items	Quantity	Unit Price	Shipping Details
Parts
